

## QUALITY POLICY STATEMENT

---

**Hevey Civil Engineering provides all types and ranges of Civil Engineering and Building services to construction companies, local authorities, semi-states and private client. It specialises in drainage operations, road construction, culvert construction, Utilities, (Service ducting, Junction Boxes, cable laying), Watermains, Finishes (Concrete and Paving) and Small to Medium scale Earthworks.**

Hevey Civil Engineering wishes to be viewed as a company that provides a superior quality of service, in a thoroughly professional manner, thus ensuring that we remain at the forefront of construction works.

We believe that our continuous pursuit of excellence, in conjunction with our ability to remain cost effective, will give us the competitive edge. It is our policy therefore, to provide a quality of service that meets the needs and demands of our customers.

To achieve this overall policy, a cost-effective system will be maintained. All employees are responsible for the quality of their work, and are committed to providing a superior service.

We are committed to continuous improvements through the provision of adequate resources for use in areas of auditing and review of customer satisfaction.
